COURSE TITLE: New Student Seminar
NUMBER/SECTION: IVYT 120-40C
CRN: C1- 201230

CONTACT INFORMATION

Instructor:
First Name: MAHA
Last Name: MOUCHAHAM
Phone Number: TBA
Email (Ivy Tech Email): mmouchaham@ivytech.edu
Office Hours: By Appointment only

Instructor’s Supervisor:
Name: Rula Mourad Koudsia
Campus Location: Fort Wayne campus

COURSE OUTLINE OF RECORD

PREREQUISITES: None
SCHOOL: Liberal Arts and Sciences
PROGRAM: Liberal Arts and Sciences
CREDIT HOURS: 3
CONTACT HOURS: Lecture: 3
DATE OF LAST REVISION: Fall 2011
EFFECTIVE DATE OF THIS REVISION: Spring 2012

CATALOG DESCRIPTION Enhances success in college by assisting students in obtaining skills necessary to their educational, career, and life objectives. Students will create and apply critical thinking strategies in areas of time management, media literacy, learning styles, study skills, career planning, money management, and resource utilization.
MAJOR COURSE LEARNING OBJECTIVES: Upon successful completion of this course the student will be expected to:

1. Demonstrate personal responsibility by using proactive strategies to set academic goals and explore career options.
2. Identify learning style and personality type and apply information to develop a personal study and learning strategy.
3. Learn to adjust and successfully navigate the college infrastructure and its social environment.
4. Develop or increase computing skills: email, institutional web sites, and online learning.
5. Demonstrate ability to access library resources both on campus and online.
6. Develop effective application of study skills: note taking, listening, textbook reading, test preparation, concentration and memory skills, and time management.
7. Explore and apply health/wellness and stress management techniques.
8. Recognize and implement sound practices in personal resource management.
9. Locate and utilize a variety of community resources.
10. Demonstrate an understanding of the impact of human diversity on college, career, and life experiences.
11. Develop, practice, and apply critical thinking skills.

COURSE CONTENT: Topical areas of study include:

Learning strategies  College environment
Computing skills  Resource utilization
Study skills  Health and wellness
Diversity  Communication
Critical thinking  Goal setting and career exploration.

REQUIRED TEXT & MATERIALS

Title: CORNERSTONES FOR COMMUNITY COLLEGE SUCCESS
Author: Sherfield, Robert M., Moody, Patricia G.
Edition: 1st Edition
Publisher: Pearson Education, Inc., Boston, MA

How to Order Textbook/Materials
Books and materials may be purchased from the Ivy Tech bookstore or online bookstore. To order the texts required for this class or any other course, go to http://www.ivytech.bkstr.com. Students can order all books and materials for all courses from this site – regardless of whether it is an online or on-campus course. In the future, it is advised that students order textbooks and materials before the start of the semester.
Students should use a copy of their course schedule to accurately order books and materials. Students can print a copy of their course schedule from Campus Connect at http://cc.ivytech.edu.

Students who live in Indiana and surrounding states will normally receive their book order within one day from the time the book is shipped from the warehouse. Paying for overnight shipping on textbook orders from the bookstore is normally not a good use of money as it does not ensure overnight processing of the order – it only ensures that once the book order has been processed, it will be shipped out overnight.

**Technology Needs & Resources**

It is expected that all students who enroll in the course have Internet access and a basic understanding of computer use (e.g., using e-mail, sending attachments via e-mail, using web browsers, using word processing software such as Microsoft Word). Also, it is expected that all students will regularly check their Ivy Tech e-mail accounts (located in Campus Connect) and/or Blackboard messages as indicated below. Within 48 hours is recommended. This is the PRIMARY method that the college will utilize to contact students.

**COURSE POLICIES & PROCEDURES**

**Due Dates & Deadlines**

The Syllabus and Course Calendar are two important tools to help students understand the course, student and instructor expectations, and deadlines. Both documents can be found under the “Start Here” button in the course within Blackboard.

Students are required to submit work on time for a chance to receive credit. Deadlines for each week/assignment are summarized on the course calendar. Students should check the calendar frequently for deadlines and to be aware of what to expect next. Deadlines are subject to change.

Students are responsible for timely assignment submission. Should a computer system or network go down, students must still turn in work in a timely manner. Don’t wait until the last minute. Students should plan ahead by seeking alternative means for submitting work before needed. Local libraries and all Ivy Tech Community College campuses can serve as alternative resources. Contact the closest/most convenient campus or other public lab for schedules and Internet availability. Not having access to the required software on a home or work computer is not a legitimate excuse for turning in homework late.

**Instructional Method**

This is a traditional face to face course. Each week’s assignments and readings are summarized on the Course Calendar, accessed from the “Start Here” button in Blackboard. It takes a great deal of discipline, self-motivation and effective time management skills to successfully complete this course. Many students find it helpful to set aside specific times each week to work on course assignments.
Grades
All grades will be maintained in Blackboard’s online grade book. Students are responsible to track their progress by referring to the online grade book.

Make-Up Policy
If a student has a SERIOUS problem that can be verified and that keeps the student from submitting a paper or test on time, please contact the professor immediately. The professor will determine if the seriousness of the problem warrants an exception to the late assignment rule. Late assignments will be assigned a grade of “0” unless a student has received prior approval from the Professor. There are No make-ups for discussion boards.

If students have planned special events (vacation, wedding, birth of a child, surgery, etc.); students can work ahead on assignments with prior approval of the professor. In all cases, communication with the professor in advance is desired, whenever possible.

Last Day to Withdraw
If a student wishes to withdraw from this course, students are responsible for completing an official withdrawal form with the registrar. The last day to withdraw from this course is 5 pm Friday, April, 12. This is a required course which you cannot drop on your own. You must have the Registrar's office complete paperwork to drop it with a W.

Financial Aid Regulations regarding attendance
Student attendance is reported to the Registrar for auditing purposes. Some students may be required to repay part of their Financial Aid, including the Pell Grant, if these audits show poor attendance.

Right of Revision
The college reserves the right to change any statements, policies or scheduling as necessary. Students will be informed promptly of any and all changes.

COURSE COMMUNICATION

Instructor Commitment
Ivy Tech Community College instructors are committed to responding to students within two business days. If a student sends communication, but does not receive a response, they should double-check that the correct communication method was used and that the correct location is being checked for a reply. Students can contact their local Distance Education Support with questions. NOTE: Messages are very different from Email. Students should carefully review the information below to ensure they are sending and receiving course communication properly.

Email: all students must use the email function of the course for course-related communications. Students can send email from within the course in Blackboard, but will not receive responses inside the course. All emails are received in the Campus Connect email system. Students can also use the Campus Connect email system to send email.
To access email from within the course:

1. Log into Blackboard & enter the course.
2. Click on ‘Communication & Tools’, then send email.
3. Please DO NOT use the MESSAGES feature inside Communication & Tools.
4. Select “All Instructor Users” to email the instructor.
5. To send an email to another member of the class, choose Select Users and choose the name(s) from the list. Use the right-facing arrow to move the person into the “recipient” box.

To access Campus Connect, go to:  [http://cc.ivytech.edu](http://cc.ivytech.edu).

**Online Communication Etiquette:** Students are expected to uphold their responsibilities in terms of appropriate and professional communication with faculty and peers. Please review the ‘Students Rights and Responsibilities’ section of the student handbook and review common netiquette (Internet etiquette) practices, like those found at: [http://www.albion.com/netiquette/](http://www.albion.com/netiquette/).

ADDITIONAL SUPPORT

Optional Campus Support
Students are welcome to use the services and equipment available at the most convenient Ivy Tech Campus. Services include academic advising, equipment, libraries, and tutoring. Please locate the most convenient Ivy Tech campus by reviewing the information at http://ivytech.edu/campuses/.

Library
The Ivy Tech Library is available to students on- and off-campus, offering full text journals, books, and other resources essential for course assignments. The Library can be accessed from the “Library” tab in Blackboard or from the “Library” tab in Campus Connect.

Virtual Library:
For students on- and off-campus, the Ivy Tech Community College Virtual Library offers full text journals, books and other resources essential for completing course assignments. Go to http://www.ivytech.edu/student-services/library.html and choose the Virtual Library link for your campus.

Click for Help
Log into Blackboard at http://online.ivytech.edu and visit the “Click for Help” tab for information about computer downloads. This tab provides students with important computer information, including security software, viewer software for users without Microsoft products, adobe reader, flash player, java, and more.

Disabilities Services
Students with questions or needs for disabilities support services should contact their local Disabilities Support Services director/coordinator. In the future, it is recommended that students contact Disabilities Support Services at least 30 days before the start of the semester. The contact information listed here is for the disabilities support director/coordinator at the instructor’s local campus. For information about disabilities support services at another campus, please visit: http://ivytech.edu/dss/ or Campus Connect (http://cc.ivytech.edu).

Disabilities Support Contact:
First Name: Todd
Last Name: Nichols
Phone Number: 260-481-2210
Office/Campus Location: Fort Wayne Campus, HM 1710
Office Hours: Monday – Friday
TRiO

TRiO Student Support Services offers services to 160 contracted students as they pursue a college degree from Ivy Tech. Specifically, our goal is to provide individualized support to eligible students seeking to complete a degree or certificate from Ivy Tech-Northeast within a three-year timeframe.

TRiO activities are free and exclusive to participants (largely funded by the U.S. Department of Education). To apply, students need to be ONE of the following: first-generation college students, low-income students, OR students with a disability. (Other eligibility criteria apply).

What does TRiO Student Support Services provide to participants?

Motivation and Encouragement, Accountability, Personalized Education Planning, Continuous Academic Monitoring, Regular Advising and Mentoring, Personal Problem Solving, Financial and Economic Literacy, Workshop Seminars, Life and Study Skills, Computer Loans, Monthly Newsletter, Blackboard Community, and nearly unlimited Tutoring within the TRiO Resource Center Computer Lab

Learn more about the program or find out how to apply by visiting the website at www.ivytech.edu/northeast/trio. You can contact TRiO SSS by calling 260-480-4197 or emailing trio@lists.ivytech.edu. TRiO SSS is located near the west entrance to Harshman on Ivy Tech’s North Campus in HM 1656.

COLLEGE POLICIES

Academic Honesty Statement
The College is committed to academic integrity in all its practices. The faculty value intellectual integrity and a high standard of academic conduct. Activities that violate academic integrity undermine the quality and diminish the value of educational achievement.

Cheating on papers, tests, or other academic works is a violation of College rules. No student shall engage in behavior that, in the judgment of the instructor of the class, may be construed as cheating. This may include, but is not limited to, plagiarism or other forms of academic dishonesty such as the acquisition without permission of tests or other academic materials and/or distribution of these materials and other academic work. This includes students who aid and abet as well as those who attempt such behavior.
Copyright Statement
Students shall adhere to the laws governing the use of copyrighted materials. They must
insure that their activities comply with fair use and in no way infringe on the copyright or
other proprietary rights of others and that the materials used and developed at Ivy Tech
Community College contain nothing unlawful, unethical, or libelous and do not constitute
any violation of any right of privacy.

ADA Statement
Ivy Tech Community College seeks to provide reasonable accommodations for qualified
individuals with documented disabilities. If students need an accommodation because of
a documented disability, please contact the Office of Disability Support Services.

IVY TECH GROWING GREENER
Ivy Tech Community College–Northeast is committed to the development and
implementation of a comprehensive sustainability plan. We’re emphasizing our
responsibility to go green. To that end, we are asking students, faculty, and staff to
actively participate in energy conservation measures and proper recycling on campus.
The recycling bins located in classrooms and offices are for paper and paper products
only. Ivy Tech participates in single-stream recycling for other items. All aluminum, glass,
and plastic beverage containers can co-mingle in the same recycling bins located in the
hallways. Please remember to empty the liquid from your containers before depositing
them in the bins. Any materials that cannot be recycled should be placed in garbage cans.
It is also important to turn off lights and computers when leaving a room. Together, we can
make an impact on conserving our limited resources. Remember to reduce, reuse, and
recycle!

Electronic Device Statement
Please consider class time as “your time” to invest in your education – free of outside
distractions. Cell phones usage -- receiving calls and texting are considered disruptive
behaviors in the classroom.

No class member will be allowed to disrupt the learning of others. Appropriate classroom
behavior is expected. All cell phones and other electronic devices must be turned off when
you enter the classroom. If you interfere with learning, you may be asked to leave the
classroom.

Texting is considered rude, disruptive behavior. You will be asked to stop on the first offense
and asked to leave the room on the second. IF you need to use an electronic device during
class due to extenuating circumstances, i.e. sick child, please explain this to me before class.
In those instances, you may leave it on “vibrate” mode, and should you receive a call, please
be courteous and take it out in the hallway.
Participation & Professional Behavior Expectations

1. You are expected to participate in discussions. Texting is the opposite of participating.

2. When the numbers on the score sheet are added up and you are on the border line of a letter grade, your participation will be the deciding factor in getting bumped up. Without good attendance and active participation, the numbers will be the sole determinant.

3. Disruptive, ill-mannered, intimidating behavior is not tolerated. Side conversations with classmates are considered disruptive and extremely rude. Please refrain from this.

Mutual Respect
Each person in this course has unique prior experiences and points of view to share. This offers us the opportunity to learn from each other. Though disagreement and even conflict may occur, I expect you to help me create a safe classroom by maintaining an atmosphere of mutual respect for one another. Hateful and demeaning speech will not be tolerated.
