First Time Users

Campus Connect is the web portal for Ivy Tech Community College. Registration with Campus Connect is required for you to be able to access the Blackboard Learning System, your course schedule, your final grades, and your Ivy Tech e-mail.

1. Type cc.ivytech.edu in your web browser and press ENTER.
2. Click the FIRST TIME USERS link to set up your account and establish your password.
3. Click “I Agree”.
4. Enter your name, birth-date, zip code and your Student ID (C#). You must enter the information as it appears on your admissions application.
5. Your new Campus Connect username will be displayed (Write it down).
6. Enter a password for your account.
   - a minimum length of eight (8) characters
   - contains multiple letters with mixed case and numbers
   - at least one of the following special characters: + - _ ! ? . % { }
   - do not use spaces or @ $ & ( ) , < > ; / \ = #
7. Enter answers for at least 3 security questions. *Note: Security questions are case sensitive, so we recommend writing them down exactly as you typed them and store them in a secure location.
8. Click the link to log in to Campus Connect.
