A wiki is a collaborative tool that allows students to contribute and modify one or more pages of course related materials, providing a means of sharing and collaboration. Pages can be created and edited quickly, while tracking changes and additions, allowing for effective collaboration between multiple writers.

**How to create a Wiki page**

1. Click on the name of the Wiki.

2. If a homepage has not been created, you will see the following:

3. Create the home page by giving it a *Name* and *Content*. This is the first page that will display any time someone access the wiki.

4. Click *Submit*. 
5. If a homepage has been created, click on **Create Wiki Page**.

6. Enter a *Name* for the page and *Content*.

7. Click **Submit**.

**Edit a Wiki**

1. Click on **Edit Wiki Content**.

2. Edit or add to the Wiki.
Add Comments
